

SCOTLAND'S LAND

Town and Country Planning in the Scottish Borders, 1946-1996

From Planning Backwater to the
Centre of the Maelstrom

Douglas G. Hope

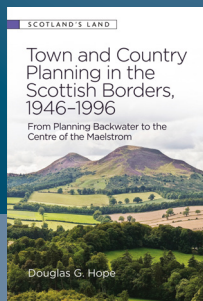

Town and Country Planning in the Scottish Borders, 1946-1996

From Planning Backwater to the Centre of the Maelstrom

Douglas G Hope

Studies continuity and change in the practice of town and country planning in the Scottish Borders, 1946-1996

- Provides a comprehensive appraisal of the changing role of town and country planning within a unique area of Scotland over a fifty-year period
- Examines continuity and change in planning practice in the Scottish Borders
- Explores the relationships between planning and economic development in stimulating development in a rural region of Scotland
- The book combines scholarly analysis with a practitioner's perspective of town and country planning in Scotland
