

Royal Town Planning Institute (RTPI)-End Point Assessment Privacy Notice

As the government appointed End Point Assessment Organisation for the Chartered Town Planner degree apprenticeship, we will be recording the Professional Discussion assessments associated with this activity.

How could the recording of your Professional Discussion be used?

The recording of your Professional Discussion may be used internally for training and quality assurance purposes. Additionally, in the event of an appeal your recording may be viewed by an internal advisory panel.

How will it be stored?

Your recording will be uploaded onto a password protected EPA management system and securely stored for 6 years in line with our EPAO obligations
